

MEDIA TESTIMONIALS

The lines lit up when Patrick introduced his offer to help people clarify their life purpose. I was amazed at how quickly and powerfully our listeners got the answers they were looking for.

Cathy Little, CBC Radio, Wild Rose Country--Covering all of Alberta Canada.

Patrick's energy and insights were enlightening. His questions that lead to identifying life purpose helped me understand my own life journey with greater clarity.

Shelly Curts, ABC Morning News, Eugene Washington

Patrick deeply touched our listeners with his insights on life purpose and career. In just a few minutes of interaction, I could hear a shift in clarity, understanding, and healing in the voices of our callers.

Lisa Garr, The Aware Show, KPFK Radio, Southern California

Very professional and authentic interview. The entire news team loved the spot we did with Patrick.

Kevin Breman, UPN Evening News

Patrick's insights are timely and in-tune with today's audience. His varied background, from tennis pro to corporate manager to author, opens up a window of topics for discussion.

Michelle Merker, Host, Emmy-nominated Southland Today KDOC-TV

Brilliantly insightful information and compelling life experiences. Patrick Harbula will enlighten and entertain your listeners. I have used Patrick's exercises in my own psychotherapy practice with exceptional results.

Dr. Nita Vallens, Host of Inner Visions KPFK Radio, Southern California

Patrick was so insightful in his discussion of Life Purpose in Career, I am signing up for his training myself!

Gregory McDonald, KTMS, Santa Barbara

Patrick had an uncanny rapport with our audience. We went one full hour, and I decided to keep him on for a second hour to respond to the flood of callers.

Rick Barber, KOA Syndicated Radio, Denver

Amazing information and exciting presentation, Patrick Harbula is a fantastic guest for any broadcast that caters to an intelligent audience.

David Cohen, WBNW Newton, Massachusetts

In contrast to other authors on the subject of body/spirit connection, Patrick is well versed in spiritual psychology and mind science, which makes his offerings crystal clear and grounded.

Michael Benner, Host of Inner Visions KPFK Radio, Southern California

I had a great time talking with Patrick. His wisdom inspired understanding about life and psychology that I had never realized before.

George Soroko, WRMN, New York

Patrick explains meditation in ways the average person can understand. His knowledge, extensive experience, and upbeat attitude make him a great guest for any audience.

Allan Strikes Afternoon Show, WTRC, Indiana

Patrick Harbula is an intelligent, insightful, and entertaining guest. He addresses topics that are crucial to our busy and stressful lifestyles.
