Some of the many reasons to become a Certified Life Coach include:

- ◆ Life Coaching is one of the fastest growing home-based businesses in the world and is still in need of practitioners.
- ◆ You will learn advanced tools for coaching people to realize their dreams through an ongoing coaching program.
- ◆ You will have the exciting opportunity to coach people to break through barriers, achieve specific steps, and realize their ultimate goals and dreams.
- ◆ Being a life coach has phenomenal promotional value: Talk radio, TV, and print media use life coaches as experts to report on various topics of public interest.
- ◆ You can coach anyone from anywhere in the world, because telephone coaching is the industry standard.

Most Life Coach Certification Programs cost between \$4,000 (rarely) and \$10,000 (usually about \$7,000) LPI's program is among the best in the business and costs **only \$2,200**, even less if you already have certification in a helping profession.
