“The truth is, we are not really seeking prosperity. We seek that which we believe prosperity will bring us; FREEDOM—our heart’s deepest desire. True prosperity is not about having money or things—It’s about being free to do what we want to do, when we want to do it.”

Dr. Dennis Merritt Jones

“Dennis Merritt Jones is one of the most clear, dynamic, and fun teachers I have ever experienced! You will be amazed at how easily he will help you shift your self-identification to one that embraces and manifests prosperity and a purposeful existence.”
